Parties kick off at Jiwaji Club to attract members

Published: 24 Oct 2026

Gwalior. With the announcement of the elections at Jiwaji Club, the race to win over the club members has begun. A Maratha candidate, aspiring to contest for the vice president post of the club, threw an unlimited party of veg, non-veg, and liquor last night for some of his favorite members. The aspirant was very happy about the party in relation to his vice president ambitions.

But this party could now turn into a problem for him. News of the party has leaked, and the Jiwaji Club members who weren't invited are upset. They say that

now only those who got to enjoy veg and non-veg at the party will vote for him.
