First time sweets in GDA?

Published: 06 Nov 2026

- Appreciation-worthy initiative by the Chairman, Vice-Chairmen, and CEO

Gwalior. For the first time in Gwalior Development Authority, sweets were distributed to employees on the occasion of Diwali. The distribution of sweets was personally done by GDA Chairman Madhusudan Bhadoria, Vice-Chairmen Vedprakash Shivhare, Sudhir Gupta, and CEO Anisha Shrivastava.

Seeing sweets being distributed in GDA for the first time in 40-45 years, all officers and employees were extremely happy. They are now beginning to feel that this new GDA team has brought a sign of better change.

Advice from Vedprakash

When the Deputy Chairman of the Authority, Vedprakash Shivhare, found out from an employee that nothing was being distributed in the Authority on Diwali, he spoke to Chairman Madhusudan Bhadouria and convinced him to distribute sweets to the employees on Diwali. There are around 100-125 employees and officers in GDA.

Festival of happiness calls for joy: Anisha

CEO IAS Anisha Shrivastava also played an important role in the distribution of sweets to employees. She did not create any obstacles in this employee-friendly decision and immediately agreed with Chairman Bhadouria's decision. On this matter, CEO Anisha Shrivastava said that she always stands for the welfare of the employees. On this biggest festival of happiness, we have taken a small initiative to share joy with them.
